Latvian language test

- listening – listen, understand, mark the correct answer,
- reading – read, understand, find the right answer,
- writing – complete the task, write a brief letter according to the plan, and compare it with the sample letter,
- speaking – look, think: “Can you do that too?” – answer 10 questions, discuss everyday topics, describe the picture.

Knowledge test

- say or write the national anthem,
- answer questions about the history and culture of Latvia,
- answer questions about the Constitution of the Republic of Latvia.

You can take the Latvian language test and knowledge test as many times as you want!
