7 divisions have already been added to the pilot project of the pre-appointment, as of today also Bauska and Ventspils divisions!

We invite clients to apply for a visit to Bauska and Ventspils division remotely via [previous appointment tool](#). Use the opportunity to make a pre-appointment using the application.

Pre-appointment can be made both from the OCMA website and using a smartphone. App Qticket can be downloaded via [Google Play](#) or via [App store](#).

It is possible to apply for 3 face-to-face services in Bauska division:

- Passports, eID card issuance (photo, biometric data) or making entries in already issued passport;
- Receiving a passport, eID card or renew PIN / PUK codes on already issued eID card;
- Receiving a residence permit (eID card).

In turn, it is possible to apply at the Ventspils division for card for residence permits issuance (eID card) (photo, biometric data).

A reminder about applied service will be sent to the e-mail or to the application twice - one week and one day before the visit.
