

Verification and payment of administrative fines

Published: 01.07.2021.

In e-service "Verification and payment of administrative fines" it is possible to view information about the administrative penalties imposed on a person, his or her minor children, persons under guardianship and / or custody and to pay them.

It is also possible to pay for an administrative penalty imposed on a third party if the decision number / case number and the offender's birth details are known.

In the payment order must be specify:

Beneficiary: Valsts kase

Registration no.: 90000050138

Receiving institution: Valsts kase, kods TREL22

Account No : LV14TREL1060141019600

Purpose of payment: xxxxxx (when making a transfer, the number of the administrative violation case or decision must be indicated in the payment order).
